Chef

Leggerezza in cucina.

In cucina la passione per le cose buone diventa passione per le cose belle: la serie CHEF nasce dalla volontà di offrire qualcosa di nuovo senza perdere di vista l'essenza. Niente fronzoli, nessun eccesso: linearità e uniformità tra canna e corpo per interpretare la leggerezza come icona dell'alta cucina contemporanea. Il tradizionale sistema di aggancio del supporto doccia viene sostituito dall'innovativo aggancio con magnete per creare una linea di rubinetteria per cucina che esprime al massimo gli elementi propri del made in Italy: design, qualità dei materiali, funzionalità, affidabilità e durata nel tempo.

Lightness in the kitchen.

In the kitchen, the passion for good things becomes a passion for beautiful things: the CHEF line comes from the desire to offer something new without losing essence. No frills, no excess: linearity and uniformity between the spout and the mixer body to render the lightness as an icon of the contemporary haute cuisine. The traditional attachment system for the shower support is replaced by the innovative hook with magnet, creating a line of kitchen taps as expression of "Made in Italy" concepts: design, quality of materials, functionality, reliability and durability.

Elle-Effe

Eleganza e semplicità.

Sono questi i due principi ispiratori che hanno portato alla nascita delle linee di rubinetteria ELLE e EFFE. Linea squadrata e profilo pulito, per amplificare un senso di eleganza e modernità che rendono queste serie adattabili ad ogni tipo di ambiente. La cura del dettaglio si accompagna alla cura della funzionalità: un design di alta gamma si unisce ad una tecnica e componentistica di elevata qualità. Leva aperta per la serie EFFE, leva chiusa per la serie ELLE. Due varianti di design per una serie unica nelle sue linee essenziali.

Elegance and simplicity.

These are the two key factors that have led to the realization of our EFFE and ELLE mixers lines. Square line and clean profile to amplify a sense of elegance and modernity that makes these series suitable for any environment. The attention to detail is accompanied by the care of functionality: a high-end design is combined with technique and components of high quality. Open handle for EFFE and closed handle for ELLE. Two design variants for a unique series of essential lines.

Rock

Grinta e gentilezza.

Il Rock fece irruzione nel mondo della musica, portando qualcosa di mai sentito prima, di accattivante, raccogliendo elementi classici e tradizionali ma producendo un feel nuovo e vivo. Allo stesso modo la serie Rock nasce da un'esperienza di forma classica e discreta, ma elabora le sue linee per produrre qualcosa di geniale: le innovative geometrie impreziosiscono il contesto come un assolo arricchisce una melodia.

Questa serie si presenta con una grinta decisa, con energia e carattere, quasi aggressiva; eppure mitigato nel carattere dalle sue linee tondeggianti, che fondono in maniera armoniosa i volumi tondi e le linee rette.

Grit and kindness.

The ROCK broke into the world of music, bringing something never heard before, captivating, collecting classic and traditional elements but creating them new and alive. Similarly the ROCK series is classic and discreet form of experience but draws its lines to produce something brilliant: innovative geometries embellish the context as a musical solo enriches a melody.

This collection presents itself as a determined grit, with energy and character, almost aggressive, but lightened by its rounded lines, mixing harmoniously round volumes and straight lines.
